Dear Community

You would be aware several committee members have unfortunately resigned since the AGM. At the first Management Committee meeting which was commenced on Monday 10th September had to be delayed due to a lack of a quorum early into the meeting. The meeting was reconvened on Monday 24th September and, following Constitution guidelines, an Acting President and Public Officer was elected (Pamela Francis) and Acting Secretary (Fiona Pitcairn) by those present. In addition, a nomination for Acting Treasurer was tabled and endorsed to fill one casual vacancy (John Williams). There are currently still four committee members (Glen McKenzie, Don McInnes, Alex Stone and Robyn Shearer) with the potential to co-opt two more committee members and a Vice President from the community.

If anyone is interested in being co-opted into the MADCA Committee, please visit the Milang Community Centre (MOSHCC) and register your interest at reception. Your registration of interest form will be tabled at the next scheduled committee meeting on Monday 8th October for consideration and successful applicants will be contacted by the Acting Secretary.

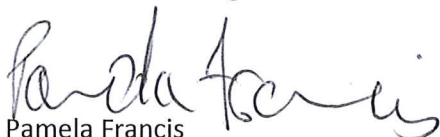

We have already planned our first general meeting for the community to be held in the Milang Institute on Monday 26th November 2018 at 6.30 pm. We look forward to meeting with you then and bringing you up to date with our activities including the Butter Factory and the Community Centre.

MADCA wish to publicly acknowledge and thank the former Committee members: Katherine Stanley-Murray, Peter MacGregor, Barbara MacGregor, John Whyte and Gerry Suisted for their contributions to MADCA.

I am aware of a range of concerns being raised in the community about MADCA and some of its personnel and its financial position. We have a procedure for community members to raise concerns or complaints and would direct you to our website www.madca.org.au to access the appropriate document or you should communicate with me as the Acting President of the organisation on 0411 288 063.

We are very excited about the commencement of the new Project Manager for the Butter Factory Project, and we also welcome David Furniss as Business Development Officer who has begun working with us last week and will be assisting management and the committee to improve governance and our business systems.

MADCA has successfully achieved certification in the Australian Service Excellence Standards. This certification demonstrates we have met the required standards which includes governance, financial and contract management. We are committed to continual improvement and serving our community.
